For Brochures Call 510-623-7200 or 408-999-6755

You may apply at anytime by using the application on line.

Golden State Hockey School is a full two week training program. It progresses from day to day over the two weeks. Although we will accept students on a one week basis, those attending both weeks will receive the maximum benefits.

Week One will stress the development of individual and combined technical and tactical skills. Week Two will stress team technical and tactical skills through game simulated drills and scrimmages.

There are two separate groups, AA and AAA. Within each group there will be three age divisions as well. Each group will have 2 1/4 hours on ice each day. There are two classroom *chalk talks* each week. Individual and Team pictures will be taken of players attending the first week.

Class size is limited. All students will be given a Golden State Hockey School Jersey. A selected number of players will be invited to play in the All Star Game held on Saturday July 25th.

Trophies will be awarded at the end of the second week for each group. Trophies are Most Improved Player, The Outstanding Potential Award, Most Improved Goalie, and All Star Game MVPs for both teams.

GOALIES: Goalies receive special attention in our Hockey School. There is a goalie coach on the ice at all times, constantly working on their improvement. On top of personalized coaching during the hockey school there are also two *Goalie Only Sessions*. They are held each Friday and run with four stations focusing on different individual skill development specifically for each goalie. Goalies are \$295 for one week and \$395 for two weeks.
